Job Search Network

Wednesday, Jul 8, 2015

9:30am - 11am

The VCU Services Career Center offers the Job Search Network, which meets twice a month and is free and open to the community. Participants learn about current job search and recruiting trends, acquire tips on branding and social media strategies for an effective job search, and advance their interviewing and negotiating skills, while networking with other job seekers. For more information and to pre-register,
